About Amity University

Amity University is a highly research-focussed, innovation-driven and interdisciplinary University with over 35,000 full-time students at its main campus in Noida (Delhi NCR). The focus on quality has led the University to be ranked # 22 among all Indian Universities in NIRF 2022, the # 1 Private University since the last nine years by India Today and amongst the top 3% Universities globally by QS and Times Higher Education. Amity is also the only University in India to have US regional accreditation (by WASC) and be QAA (UK) accredited. It is part of the Amity Education Group with over 1,75,000 students across campuses in 12 countries.

About Department of Anthropology

The Department of Anthropology, Amity Institute of Social Sciences is committed to educating and engaging in research on the wide range of cultures present in the world today. Its goal is to promote awareness about both cultural and biological diversity and emphasize the importance of this knowledge in people's lives. To ensure that students stay abreast of the latest advancements in Applied Anthropology, the department prioritizes offering comprehensive training in various aspects of human existence.

About Indian Anthropological Society

The Indian Anthropological Society (IAS) is one of the premier Professional Societies in India, which grew out of the Anthropological Club in 1921. Sir Ashutosh Mukhopadhyay was the founder president of the Club. It continued for several years as a viable academic body. Later on, it was revived as "The Indian Anthropological Society", which became a registered body in West Bengal during 1958-59.

The major objective of the IAS is to operate as the forum for periodically defining the role and relevance of anthropology in the contemporary and emerging situation in India and develop inter-culturally tolerant outlook among citizens of India.

***“Global Perspectives in
Anthropology: Cultivating
Sustainability, Equity, and Progress”***

HYBRID MODE

26th -27th September 2024

**Venue: Amity University Campus
Sector-125, Noida**

Conference Brief

In an era defined by rapid change and interconnectedness, the 54th Annual Conference of the Indian Anthropological Society invites scholars, researchers, and practitioners to delve into the pivotal role of anthropology in fostering sustainability, equity, and progress worldwide. Delving into the intricate cultural dimensions of environmental issues and sustainable practices, we aim to understand the impact of globalization, urbanization, and technological advancements on diverse communities. Through robust scientific discourse and collaborative exchange, we aspire to unravel the paradigm shifts and hurdles in achieving a more equitable and sustainable world by realizing the potential of anthropology and its holistic worldview. Join us in building networks, sharing insights, and charting pathways towards a better tomorrow.“
